	Special Orders:		

Order vaccine from designated Health Unit. Submit form by email where available, or Fax. (see page 2)

- Public Health fills vaccine orders for **publicly funded indications only**.
- Please refer to the BCCDC Immunization Manual [Biological Product pages](#) for eligibility **before** placing an order.
- Maintain cold chain; if break occurs, follow directions [Vaccine Storage and Handling](#) (page 10), and contact local health unit.
- Report all immunizations given to clients 0-18 years to Public Health using the [Reporting Form](#).
- Immunizations documented in PharmaNet or ImmsBC do not require reporting to Public Health.

Local Health Unit: print form → fill order → complete Panorama → CVP to complete bottom section at time of pick up → retain original
